America, 10 Years After 9-11

America's "Eves" have swallowed the deceptive fruit of alleged good that leads to every evil, while America's "Adams" have not only allowed this, but willingly followed suit.

And as goes the "great whore" so has the entire world blindly adopted its destructive (self and otherwise) ways!

Every government on earth today, to one extent or another, has whored itself to the manipulative, deceitful and ever seductive but deadly siren lure of fiat "money" and military conquest of nations, peoples and cultures that have resisted its total domination of the world.

President Eisenhower, when leaving office, warned America to beware the growing military-industrial complex. He failed to warn against the power underlying this bestial abomination of corporate greed, avarice, murderous activities and other assorted evils, that has also dominated the medical, media, educational and especially the courts and other legal institutions of America and the world, beginning in the early twentieth century, and increasing in power, dominance and tyranny with every passing decade.

That beast is a combination of monetary powers, government controlling and manipulating non-governmental institutions, commissions, councils, think tanks and special interest lobbies, along with pagan religious and secret societies, hidden but very active, lucifer-worshipping adherents intent upon subjecting first America, and then the entire world, to their soon-to-be-unveiled false messiah despot.

This culminating evil of the ages is about to be openly revealed, once the conspirators, guilty of perpetrating this centuries old treason, feel they have total police and military power to enforce this ultimate tyranny without effective resistance or opposition (even if it requires a bloody coup, martial law, or external act of war, for them to achieve this final dictatorship of the world).

In Which "God" Does America Trust?

What is "patriotic" about the evils that America represents, and through its influence the world parrots, as a result of largely unknowingly worshiping the "god of this world" in the guise of a nation conceived in the adultery of pagan rebellion against the Sovereign and only Creator of heaven and earth?

You don't believe this?

Answer this important question: How are America's leaders selected?

By casting the lot, in faithful reliance upon our Creator's providential guiding hand? Or by voting for whoever the unelected media tells us (often falsely) is a "frontrunner" in a mud-

AMERICA IN PROPHECY!

slinging race between those who have the most money (often from ill-gotten sources) to throw into advertising, public relations lies, and media manipulations, and rigged “debates” that are really more akin to staged, well-rehearsed, and well-financed theatrical productions?

The hidden but very real spiritual motivating force behind American patriotism is, in truth, the same rebellious being that led Eve astray, to entice Adam into abandoning what he knew was right, so that the entirety of their descendants – down to the present day – would live briefly under the curse of death, to eventually be destroyed, along with their rebellious mentor and false guru “god,” in the fiery judgment called the lake of fire!

Every organized religion, government, foundation, commission, council, and military, media, medical, monetary, educational, corporate-industrial complex, and judicial power center in this world stems from the fruit of the selfsame ancient poisonous tree of knowledge – or, in other words, science – of alleged good that always leads to massively destructive evil in the end.

Is this what stirs “patriotic” fervor for America in your heart?

Patriotism Or Rebellion?

Most Americans are mass-manipulated and controlled by their own patriotism into supporting, championing, aiding and abetting, and even promoting their own political brand of divisive policies, that always leads to and results in all the social ills they are supposedly fighting or struggling to overcome.

Little realizing they are the very source of all these societal shenanigans through the socialist (communist, fascist, or democratic-republican variety) programs, laws and other cunning but false initiatives, foolish Americans then fanatically support, defend and enforce, Americans are leading the world down the primrose path of false salvation through corrupt governmental power, force and flaw (false law) enforcement.

Things have gone so far south for America, it is now very doubtful if it can or will even survive as a cohesive nation to see its 250th anniversary! It probably won't last anywhere near that long, if planned schemes of its false leaders and corrupt media/education and military, corporate, monetary, medical, and legislative alleged “law” plots come to fruition on schedule, in the very near future!

Americans are being mass poisoned, polluted (Seen any illness-inducing, radioactive or corrosive chem-trails in the once clear blue skies lately?), malnourished and otherwise harmed at every turn, more than any other period in world history.

Americans have been led into more self-destructive false-flag wars, thanks to alleged “attacks,” actually instigated and enacted by our own evil leaders – from the president on down – and are lied to and deceived in more egregiously harmful ways (and are willingly swallowing and sup-

AMERICA IN PROPHECY!

porting this stinking mass of bloated bilge and toxic, paranoid propaganda), in the name of non-existent or fictional “security” and alleged but largely manufactured “enemies” and terrorists, amidst outrageous new and growing atrocities instigated by our own government, against its own citizens!

And America is just beginning to suffer from the plagues and judgments of a justly angry Creator, who is opposed to America’s trusted but false “god” – represented in the pagan and secret society symbol of the “all-seeing eye” atop the unfinished pyramid, on the back of the so-called one “dollar” false bill, Federal Reserve fake “United States” fiat “note” – that is presently bankrupting America.

Coming Plagues And Curses!

Plagues such as whirlwinds (tornadoes and hurricanes) droughts, wild fires (written long before the recent devastating drought-induced fires in Texas), and soon more serious earthquakes and perhaps even volcanic eruptions -- among other more serious evils to come -- are already erupting across the American continent.

The recent record drought in Texas, for instance, was prophetically pronounced against the errant inhabitants of the central Texas community and county of Hamilton, and the state of Texas and America by extension, a year before 9-11, in a local district court, delivered to three guilty judges, and an account of this warning was printed as a page one headline article in a briefly published newspaper, distributed throughout the county of Hamilton, Texas the day before 9/11 2001; a drought which has slowly grown and devastated the region and state in the decade since.

Eleven years prior to the worst drought plague this recent year (2011), in a document filed, and noted orally in court the same day, on September 12, 2000 (but misdated, in the court docket sheet, by the visiting judge as 9-11-2000), the prophet who announced this judgment quoted “Ezekiel” 22:23-29, which indicts the false leaders who steal from, impoverish and imprison their fellow citizens, falsely charging, trying and convicting them unlawfully.

These same judges refused to heed this warning, going on the next year to unlawfully “convict” and imprison this prophet five years later, where he suffered unjust religious persecutions, tortures and assorted attempts on his life in the state jails of Texas, barely surviving the year-long ordeal, where he was never allowed visits and just three brief 5-minute phone calls with his wife and children (even then, only following the deaths of a younger brother and older sister that same year, of which he was informed only after the funerals).

Within four years of finally being released from these cruel and unusual punishments, this same prophet’s family was attacked, and his four youngest children seized by the state of Texas under false and malicious charges of fictitious “abuses,” in several religious persecution motivated court actions leveled mainly against him, but also including his wife, beginning when both were accused and jailed – while their youngest children were taken, forcibly vaccinated against their

AMERICA IN PROPHECY!

religious beliefs, and never returned to their parents – for over a month each, while denied assistance of counsel and bail, under utterly false and malicious charges that were never indicted or brought to trial.

Finally, ten years after giving this prophetic warning, this prophet's remaining family was abused by the seizing and theft without lawful right of their only means of travel, in a county devoid of any public transportation in or out, forcing the elderly prophet, his wife and their remaining 18-year old son (who was detained, or imprisoned, against his will in a foster home more than a month after reaching the age of majority) to ride bicycles to the nearest town and back, prevented thereby from any gainful work or income, and hindered from obtaining basic survival needs.

Forced by these circumstances to fast often (every other day, for extended periods of time) for many months, this prophet and his remaining family have also struggled through the recent heat wave mostly without air conditioning due to rising utility costs, with only an Internet connection and phone service linking them to the largely uncaring and unconcerned outside world.

Prophetic Foresight

About a month prior to the recent fires spreading throughout the state of Texas, this same prophet warned his wife, a close friend and a few of his children that more wildfires – such as those that erupted starting in early winter of 2006, immediately following the start of his year-long imprisonment – would once again ravage this state this year!

What follows is an account of a prophetic event that took place after the above section on coming plagues and curses was written, perhaps as a very real indication of the actual importance and seriousness of this warning document...

On August 23, 2011 this same prophet was discussing with a personal friend the fact of the pagan “apotheosis of Washington” painting on the nation's Capitol dome, and how it ties in with the equally pagan Washington monument.

The prophet recalled an image of the destruction of the Washington monument in a recent television show broadcast in 2010 called “The Event,” saying that an earthquake causing this type of event would be just judgment upon America and it's secret society traitors intent upon enthroning a “new” (old) world order Nimrod-like beast as a world dictator.

Later that same day Washington D.C. was indeed struck by a very real earthquake, the first in over a century and in the experience of most inhabitants of America's east coast states and cities, including New York City and the nation's capitol, causing visible cracks in the apex or peak of the Washington monument and forcing the park police to close the monument to the public for an undetermined period of time.

AMERICA IN PROPHECY!

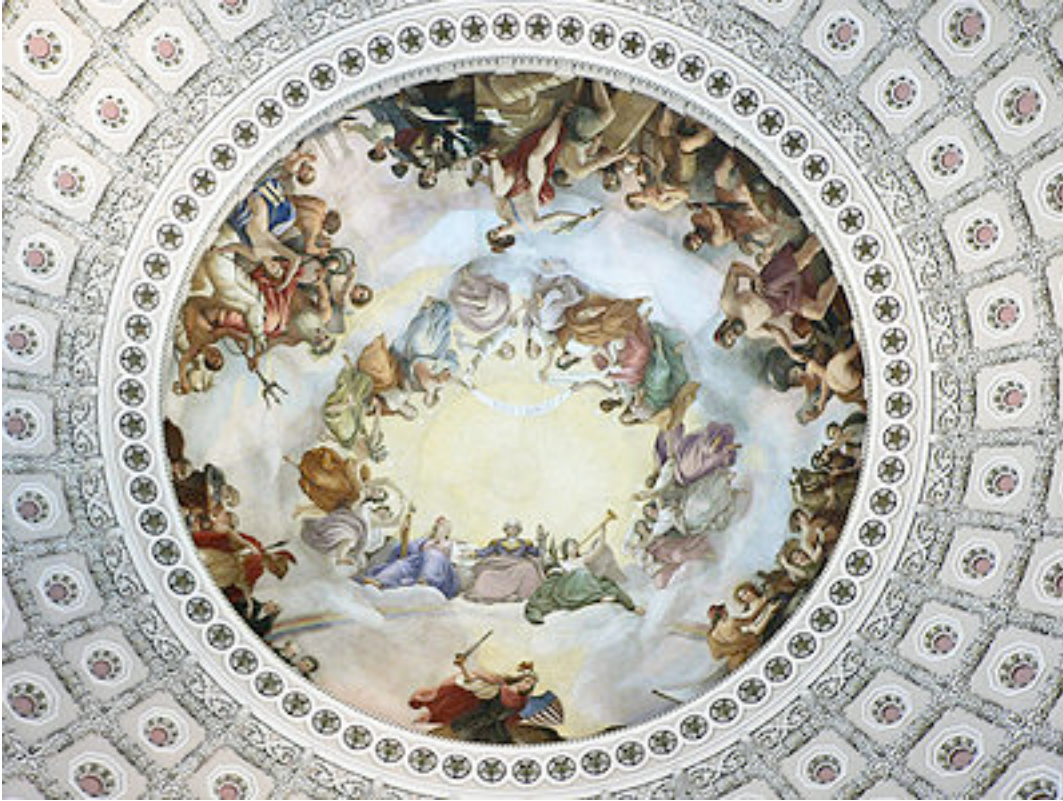

Fictional depiction of a supernatural catastrophe destroying the Washington monument – from The Event (2010).

Another structure hard hit by this quake, and numerous aftershocks over the next few days, was the equally pagan Washington cathedral, designed and built to mock the true faith by paying homage to all the world's pagan religions, particularly the secret occult religion of Lucifer (satan the devil), otherwise known as the great deceiver, the adversary, and the dragon whose spirit will possess the coming beast world dictator!

This is the very same evil being glorified, along with many pagan false idols of ancient Roman and Greek lore, in the “apotheosis of Washington” fresco under which most dead members of Congress, presidents and supreme court judges lie in state.

Just in case you don't know the meaning of the word, “apotheosis” indicates the false pagan belief in the supposed “deification” of a man, such as George Washington in this case, America's first president of the United States under the new constitution, as a supposed “god” – and this alone is the reason all of America's top political leaders who die lie in state under this fresco, depicting George Washington surrounded by a phalanx and pantheon of pagan demonic false “mighty ones” – symbolizing the fictional supposed “apotheosis” of America's deceased leaders.

AMERICA IN PROPHECY!

The “apotheosis” fresco painted on the Capitol dome in Washington, D.C.

This will be the exact same bogus claim made by the final beast personage, to be a living “god” man, who – according to scriptural prophecy in the book of Revelation – whom the entire pagan religious and secular world will worship and adore!

Unlike the demonic depiction of a false “apotheosis” of Washington and many other of America’s covert pagan religious leaders, this same prophet has long taught, for nearly three and a half decades, the true first resurrection of the elect children of the Creator Yahveh, who will return to this earth with their Savior – following the wedding supper of the Lamb in heaven – to finally and permanently dethrone this final bestial world despot and all the world’s leaders supporting him.

Only then, after this singular event of the ages, will this good earth finally rest and its inhabitants finally and permanently enjoy true peace and prosperity at long last.

The Scarlet Woman

The beast of Revelation is depicted as being ridden by a great whore, a prostitute who is the mother of many lesser whores around the world.

Many have wrongly mistaken this to mean a religious power, rather than a secular one, however

AMERICA IN PROPHECY!

the prophetic description of this woman found in Revelation 18, this modern prophet and teacher of scripture has taught all along for more than 33 years, is that of a great city (verses 10, 16, 19, 21; also 17:18), which is a major port city doing trade by means of ships from around the world (Revelation 18:17-19), doing business in every imaginable cargo of rich goods and commodities (verses 11-13).

The further descriptions of this city as a great cultural center, full of musical and other entertainments (verse 22), tradesmen of every description (verse 22), and lit by many lights (verse 23), while a long sought after site for marriages and rich merchants of wealth, influencing the politics of the entire world (verse 23), plus home to a military supra-governmental entity responsible for innumerable deaths around the world (verse 24), can only be one place on earth today!

You would have to be deaf, dumb and blind to not recognize New York City, Wall Street, Madison Avenue, the Broadway national stage, screen, television and radio entertainment mecca (which predates Hollywood), the former “World Trade Center,” The Counsel on Foreign Relations, and the United Nations with its so-called “peace-keeping” forces, among numerous other similar prophetic fulfillments, in these inspired descriptions.

The beast power this great whore (represented by the Statue of Liberty itself) – sitting upon seven hills or governmental divisions (New York City being composed of seven boroughs or districts) – has ridden to power is none other than the United States constitution and its headquarters in the former “New Rome,” now called Washington in the District of Columbia (formerly begun, under president Washington, in New York City before the capitol was built, and the seat of government formally moved to the district of Columbia).

The very name “Columbia” is yet another reference to this selfsame great whore, in the guise of the entire nation of America, depicted through the centuries (and in the Capitol rotunda ceiling fresco) as a war-like, martial sword-bearing female (also depicted in the statue atop the Capitol dome) subjugating all other political and national powers on earth (supposedly as a liberator from all despotic tyranny, other than that of her own “democratic” variety, apparently)!

Named after Christopher Columbus (or Columbo, or Colon), this name may be related to either the same root as the word Columbine (dove) or the ancient Latin root of the word Colony, meaning a mild form of slavery that existed under the Roman Empire.

Both meanings, in fact, have some significance in relation to modern America, which is presently colonizing the world under its unique form of pagan socialism called “democracy,” a mild form of slavery in which the state assumes a controlling interest over all citizens as subject to its supposedly paternalistic dictates, under the rubric of a dove “of peace” (doves being among the most war-like of birds, in reality).

Hamilton Texas, home of the modern prophet mentioned herein, interestingly in the Hill Country of Texas, is also home to an annual Dove Festival in the late summer, just before fall each year.

AMERICA IN PROPHECY!

Washington, as the nation's capitol, itself represents the intrusion of a great bestial extra-governmental monetary system and central bank (the major headquarters of its constituent private banks being, once again, New York City) – known no doubt facetiously, and definitely deceptively, as “The Federal Reserve” board and banks (being anything but federal in fact) – into a prominent and influential position of national and world monetary dominance.

To discover just who whorish America, under its “idol” personages, entertainers, assorted sordid leaders, and interloping outsiders, has become you need look no further than the garish, prostitute-like poses, clothing (or lack thereof) and whorish makeup of most modern American females (mainly), but also of many males.

You need not look far either, for they are being parroted in just about every nation on earth, which have become corrupted by these selfsame evils.

Just Judgment

In a prophetic description of this selfsame Mystery Babylon described in the book of Revelation, mirroring in similar words that prophecy, is the yet more ancient prophecy of YerimiYahv (“Jeremiah”) who likewise wrote of the coming destruction of this great whore among the nations of earth:

“Flee out of Babylon; leave the land of the Babylonians, and be like the goats that lead the flock, For I will stir up and bring against Babylon an alliance of great nations from the land of the north.

“They will take up their positions against her, and from the north she will be captured. Their arrows will be like skilled warriors who do not return empty handed. So Babylonia will be plundered; all who plunder her will have their fill, declares Yahveh” (“Jeremiah” 50:8-10).

Here is how the author of Revelation put this still future event, long after the fall of ancient Babylon, modern Mystery Babylon's prophetic fore-type:

“Come out of her, my people, so that you will not share in her sins, so that you will not receive any of her plagues...” (Revelation 18:4), and:

“The beast and the ten horns that you saw will hate the prostitute. They will bring her to ruin and leave her naked; they will consume her flesh and burn her with fire. For Yahveh has put it into their hearts to accomplish His purpose by agreeing to give the beast their power to rule, until Yahveh's words are fulfilled” (Revelation 17:16-17).

Once again, these words prophesying a still future judgment on a modern Mystery Babylon (Revelation 17:5, 7) echo and exactly mirror the words of the ancient prophecy:

AMERICA IN PROPHECY!

“Flee from Babylon! Run for your lives! Do not be destroyed because of her sins. It is time for Yahveh’s vengeance; He will pay her what she deserves....

“‘We would have healed Babylon, but she cannot be healed; let us leave her and each go to his own land, for her judgment reaches the skies, it rises as high as the clouds’” (“Jeremiah” 51:6, 9).

Another ancient prophet also set forth this same judgment in similar terms:

“Leave Babylon, flee from the Babylonians! Announce this with shouts of joy and proclaim it. Send it out to the ends of the earth; say, ‘Yahveh has redeemed His servant Ya’acob.’...

“‘There is no peace,’ Says Yahveh, ‘for the wicked’” (“Isaiah” 48:20, 22).

Again, the prophet YerimiYahv continues:

“Babylon was a gold cup in Yahveh’s hand; she made the entire earth drunk. The nations drank her wine; therefore they have now gone mad.

“Babylon will suddenly fall and be broken. Wail over her! Get ointment for her pain; perhaps she can be healed.

“‘We would have healed Babylon, but she cannot be healed; let us leave her and each go to his own land, for her judgment reaches to the skies, it rises as high as the clouds’” (“Jeremiah” 51: 7-9).

Notice, first, how this prophetic Babylon is filled with peoples from many different races and nations, a veritable “melting pot” of the world.

Only one nation today leads the world in this sort of Babylonian mixing of the races and cultures of the entire world, from all other nations.

These words are repeated against this modern Mystery Babylon, almost verbatim, in the prophecy of Revelation:

“‘Come, I will show you the punishment of the great prostitute, who sits on many waters. With her the kings of the earth committed adultery and the inhabitants of the earth were intoxicated with the wine of her adulteries.’...

“She held a golden cup in her hand, filled with abominable [unclean] things and the filth of her adulteries. This title was written upon her forehead: ‘Mystery Babylon the Great The Mother of Prostitutes and of the Abominations of the Earth.’...

AMERICA IN PROPHECY!

“Then the angel said to me, ‘The waters you saw, where the prostitute sits, are peoples, multitudes, nations and languages.’...

“‘Fallen! Fallen is Babylon the Great!... For all the nations have drunk the maddening wine of her adulteries. The kings of the earth committed adultery with her; and the merchants of the earth grew rich from her excessive luxuries.’...

“‘When the kings of the earth who committed adultery with her and shared her luxury see the smoke of her burning, they will weep and mourn over her. Terrified at her torment, they will stand far off and cry....

“‘The merchants of the earth will weep and mourn over her because no one buys their cargoes any more’...” (Revelation 17:1-2, 4-5, 15, 18:2-3, 9-11).

Mystery Babylon’s Destruction Prophesied...

The destruction of the World Trade Center, in New York City, was certainly a modern prophetic fore-type of this prophesied destruction of modern Mystery Babylon, in the very location from which it now corrupts the earth with its insane political, religious, secular and entertainment/news and legal ideas.

These awfully sinful crimes against the Creator’s Law and Commandments, in utter rebellion against Him, are in fact a hallmark of this modern Mystery Babylon:

“‘I set a trap for you, O Babylon, and you were caught before you knew it; you were found and captured because you opposed Yahveh....

“‘Summon archers against Babylon, all those who draw the bow. Encamp all around her; let no one escape. Repay her for her deeds; do to her as she has done. For she has defied Yahveh, the sacred One of Yasrael’...” (“Jeremiah” 50:24, 29).

Notice how these prophetic words are also repeated by the prophet of Revelation:

“‘In one hour such great wealth has been brought to ruin!...

“‘In one hour she has been brought to ruin. Rejoice over her, O heaven! Rejoice you elect, and apostles and prophets! Yahveh has judged her for the way she treated you.’

“Then a mighty angel picked up a boulder the size of a large millstone and threw it into the sea, and said: ‘With such violence the great city of Babylon will be thrown down, never to be found again.’... ‘In her was found the blood of prophets and of the elect, and of all who have been killed on the earth’” (Revelation 18:17, 19-21, 24).

AMERICA IN PROPHECY!

Notice how these words also reflect the more ancient prophecy:

“‘For the time will certainly come when I will punish the idols of Babylon; her entire land will be disgraced and her slain will all lie fallen within her. Then heaven and earth and all who are in them will shout for joy over Babylon, for out of the north destroyers will attack her,’ says Yahveh.

“‘Babylon must fall because of Yasrael’s slain, just as the slain of all the earth have fallen because of Babylon’” (“Jeremiah” 51:47-49).

Note, in particular, the form in which this judgment is the same as that pronounced by the angel, as recorded in Revelation, concerning the stone thrown into the waters of the sea, the waves of which – like a giant tsunami – will cover wicked Mystery Babylon:

“The sea will rise over Babylon; its roaring waves will cover her... ‘Come out of her my people! Run for your lives! Run from the fierce anger of Yahveh....

“‘But the days are coming,’ says Yahveh, ‘when I will punish her idols, and throughout her land the wounded will groan. Even if Babylon reaches the sky and fortifies her lofty stronghold, I will send destroyers against her,’ declares Yahveh....

“Yahveh will destroy Babylon, He will silence her noisy din. Waves of enemies will rage like mighty waters; the roar of their voices will resound” (“Jeremiah” 51:42, 45, 52-53, 55; references to the sea rising possibly indicate major earthquakes and/or tsunamis).

Only modern America has spearheaded the attempt to build a space station (fortified, lofty stronghold), losing two space shuttle crews in the process, to date.

Both were “shot down” and, in the case of the Shuttle Challenger in early 1986 – prophesied ten days in advance by the selfsame modern prophet who has been so abused, along with his family, in recent times – fell into the sea like a large millstone, killing its babylonian (racial and religious, of both sexes) crew, as yet another prophetic fore-type of the coming just judgment against, and final destruction of, modern Mystery Babylon with its babylonian populace.

A Land of Merathaim and Pekod

These strange words are used to describe Babylon prophetically:

“‘Attack the land of Merathaim and those who live in Pekod. Pursue, kill and completely destroy them,’ says Yahveh. ‘Do everything I have commanded you.’

“‘The noise of battle is in the land, the noise of great destruction! How broken and shattered is the hammer of the whole earth! How desolate is Babylon among the nations!’” (“Jeremiah” 50: 21-23).

AMERICA IN PROPHECY!

Pekod, translated, means “punishment,” and Merathaim means “double (or intense) rebellion.”

Now consider the history of modern America (a name closely resembling the ancient word Merathaim phonetically).

Begun when the original colonies rebelled against Britain to become separate but united states (nations), through the Revolutionary War and the War of 1812, Americans were divided among the loyalists to England and patriot rebels.

Following the final resolution of these two related wars, within a mere fifty years America was once again embroiled in yet another war of rebellion, this time between the southern confederate states and the northern states of the union.

This bloody and vicious war often pitted brother against brother, father against son, and son against father, in a blood-stained war of rebellion unparalleled in world history until then (only exceeded by the French, and the Russian and Chinese communist, revolutions; which the American revolution inspired and precipitated).

Fast forward to modern America, and you still see many rebellions and conflicts in the land, from occasional violent race riots to false flag attacks by the government upon its own citizens (whether or not you care to believe this).

Such events include Ruby Ridge Idaho, Waco Texas (within 70 miles of where the modern prophet has lived the past 16 years), the Oklahoma City federal building bombing (in the city where this same modern prophet grew up, and in the very block where he once played and attended Boy Scouts meetings as a boy), the events of 9-11 in New York City, Washington D.C. and Pennsylvania (supposedly originating from Boston; all being the birthplaces of the United States), and numerous other similar oppressions (many of which are not covered or exposed by the complacent and culpable controlled press and “news” media, or are falsely misrepresented and cunningly contrived to appear “just” and “deserved”).

Even the so-called Hippy movement and anti-war demonstrations of the 1960s and early 70s, were yet another such epoch in a long list of rebellious movements.

These include the Suffragettes, the Chinese Tong, the Jewish and Italian Mafias, the Ku Klux Klan, beatniks, motorcycle gangs such as the Hell’s Angels, Zoot Suiters, Women’s Lib, the Black Panthers, Black Muslims, SLA (Symbionese Liberation Army) and SDS (Students for a Democratic Society), and other similar gangs down to the modern-day Bloods, Crips, Aryan Brotherhood, La Eme, La Raza, and now black youth gang Flash Mobs (organized by means of cell phones and social media Internet sites), committing acts of violence and brutality mainly against hapless whites caught in their destructive path, among countless others.

All of which bear witness to the volatile nature of American style liberty and freedom.

What Mystery?

Two hallmarks of this modern Mystery Babylon are its sorceries or “magic arts” (Revelation 18:23; cf. Revelation 9:21 and Nahum 3:4), translated from the Greek *pharmakia*, meaning drugs – whether “legal” over-the-counter or prescription, or illegal – and the Mystery surrounding this modern Babylon.

What is this mystery?

The fact that America was founded by satan (under the name and guise of “Lucifer”) worshipping deists, who were members of the secret society known as freemasonry, conceals many hidden, secretive facts underlying America’s constitution and form of allegedly “democratic” government (which, in reality, was established as a Republic).

A certain secretive cabal of foreign and domestic conspirators have contrived, since even before America became a nation (or amalgamation of nation-states), working steadfastly to enslave first Americans and, through them, the entire world to the coming bestial world despot or dictator, about to be unveiled in the very near future.

Underlying this secretive and ancient sex worshipping mystery religion, that originated in the ancient land of Babel under a despot named Nimrod, and his mother/”wife” named Semiramis, Isis, Istar or Esther (an entire false book of the Jewish and Christian Bibles being devoted to this mythology) – secret societies or groups such as the Scottish Rite of Freemasonry, the Skull and Bones society of Yale, and many other similar mysterious veiled and cloaked institutions – is the fact of how they have manipulated and placed their adherents into high positions of power and influence within government and industry, from the American president on down (or up, as the case may actually be).

The hidden, mysterious symbology and secretive, deceptive slogans and insignia of the mystery religion worshipers is found throughout modern America, from the unfinished pyramid topped by the “all-seeing” eye of Lucifer, on the back of the (alleged) one dollar bill, to the phrase beneath this obverse to the “Great Seal” (*Novus Ordo Seclorum*).

It’s modern English equivalent, “new world order,” is a phrase that has been parroted and promulgated by various co-conspirator presidents such as George H.W. Bush, Bill Clinton, and such alleged “presidents” as George Bush and America’s first black “Jewish/Muslim/Christian” non-American alleged “president” Barack Hussein Obama, among others (including their ally Henry Kissinger, on behalf of the behind-the-scenes manipulators, controllers and world power-brokers, the Rockefellers and Rothschilds).

America’s true political origin is shrouded in mystery – especially America’s economic history, including the first and second Banks of America – right down to the economic blackmail and conspiracy that put both the “Federal” Reserve and IRS in place, which has led inevitably to

every depression, recession and economic malaise America has suffered since 1913.

The Coming Alliance Against Mystery Babylon

In view of the prophesied consortium of nations to be raised against Babylon, who will destroy and burn it (possibly with nuclear holocaust and conventional warfare), the ancient prophet YerimiYahv revealed they would be led by, and also include:

“Yahveh has stirred up the kings of the Medes, because His purpose is to destroy Babylon....

“Prepare the nations to battle against her; summon against her these kingdoms: Ararat, Minni and Ashkenaz. Appoint a commander against her; send up horses like a swarm of locusts. Prepare the nations for battle against her – the kings of the Medes, their governors and all their officials, and all the countries they rule” (“Jeremiah” 51:11, 27-28).

The Medes, formerly of the “Medo-Persian” empire (which destroyed ancient Babylon), in fact are the peoples of modern-day Persia, or Iran!

Ararat, on Bible maps placed due north of ancient Babylon, and a little east of ancient Nineveh (also due north of ancient Babylon), situated between the Black and Caspian Seas, today occupies the nations of Turkey, Syria, Georgia, Armenia, Azerbaijan, Iraq and northern Iran.

Along with other countries, most of them Muslim, the United States is busily alienating in the region – such as Libya, Afghanistan, Pakistan and even China and Russia, among others – there is a potential for a major alliance against the United States to break out of this region on some future day.

Finally, the modern day Ashkenazim are none other than the middle ages converts to Judaism, whose descendants today (mostly of the bloodthirsty “Zionist” persuasion) have falsely laid claim to what is now called “Israel,” under the assumed but false name of “Jews,” who are also to be found throughout Europe, and even America today.

Theirs has always mainly been a war of subjugation from within, through special interest lobbies and media pressure/blackmail/terrorist groups, such as the false “antisemitism” defaming “Anti-Defamation” League of B’nai B’rith, (ADL, a front for Israel’s Mossad).

It began with the covert illegitimate Alexander Hamilton, whose underhanded political intrigues brought about the first attempted federal takeover of the fledgling United States governments through the First Bank of the United States.

According to scriptural prophecy this alliance will strike modern Mystery Babylon from the north (just as ancient Medo-Persia attacked ancient Babylon from the north), unexpectedly and effectively ending the adulterous and volatile nation (see: “Jeremiah” 50:3, 9, 41, 51:48).

AMERICA IN PROPHECY!

The most direct route for a coalition of nations from this region of the world to swiftly and unexpectedly attack the United States is over Siberia and Canada, from the north, with the blessing of the former head of many of these countries – via the former communist Soviet empire – the nation of Russia/Assyria!

If economic and world history is any guide, this coalition will be joined and led by none other than China, America's largest creditor, just as Medo-Persia was ancient Babylon's main creditor, and Greece was later Medo-Persia's, and Rome was still later Greece's.

Throughout history, in turn, each new conquering world power was, in fact, the main creditor of the former world power they finally subdued and subjugated.

Arrogance, Pride, Sin Leading To America's Downfall

Prophecy tells us that the peoples of the United States are proud, defiant and arrogant, even in the face of our Creator Himself, the returning true Messiah, the Savior:

"Because you rejoice and are glad, you who pillage my inheritance, because you frolic like a heifer threshing grain and neigh like stallions, your mother will be greatly ashamed; she who gave you birth will be disgraced. She will be the least of the nations – a wilderness, a dry land, a desert.

"Because of Yahveh's anger she will not be inhabited but will be completely desolate. All who pass by Babylon will be horrified and scoff because of her wounds...

"See, I am against you, O arrogant one,' says Yahveh, Yahveh of hosts, 'for your day has come, the time for you to be punished. The arrogant one will stumble and fall and no one will help her up; I will kindle a fire in her towns that will consume all who are around her'" ("Jeremiah" 50: 11-13, 31-32).

"I am against you, O destroying mountain, you who destroy the whole earth,' declares Yahveh. 'I will stretch out my hand against you, roll you off the cliffs, and make you a burned out mountain.

"No rock will be taken from you for a cornerstone, nor any stone for a foundation, for you will be desolate forever,' says Yahveh" ("Jeremiah" 51:25-26).

"Babylon's thick wall will be leveled and her high gates set on fire; the people exhaust themselves for nothing, the nations' labor is only fuel for the flames" ("Jeremiah" 51:58).

There is only one thing that could account for the fact that multiple generations would be unable to use even the stones for building other, newer structures, and refusing to live anywhere near the areas devastated by this future war.

AMERICA IN PROPHECY!

One such locale has been discovered in India, where an ancient city has recently been unearthed – with human and animal bodies lying upon the ground – having evidently perished instantly in some cataclysmic and conclusive ancient war.

The area shows all the signs, and still registers – after lying desolate and lost for thousands of years – as uninhabitable due to high levels of radiation.

It is apparent, from all the evidence, that this area suffered a type of warfare described in India's oldest historical texts which, until now, were largely regarded as fantastical and mythical epic tales, called the Mahabharata.

These ancient texts are thought, by modern scholars – who cannot admit that any past generation of humanity could possibly have been more advanced than our modern world, despite the overwhelming evidence of so-called megalithic structures around the world, still standing and bearing stark witness to the fact that no modern technology can yet mimic or recreate such structures as the pyramids, or enormous stone edifices found around the world – to be fantasies, because they depict flying machines called Vimanas in the Sanskrit dialect, which is accurately translated as: “airborne chariot” (or, in more modern parlance: airplanes, jets and spacecraft)!

Not just airplanes, but aerial warfare, including bombs and particle beam weapons, are apparently depicted in these ancient texts, which also include a description of a final and climactic war, in which an ultimate weapon is deployed, capable of destroying an entire city at once in a blinding flash of light, fire, smoke and cloud.

Describing what is, in effect, the devastating effects of nuclear war, the ancient remains now being uncovered in India lend credence to this account, because they exhibit all the signs of atomic warfare in the ancient world, the remains of which are still radioactive and uninhabitable to this day!

Apparently, according to scriptural prophecy (especially Revelation 17:16, where the great whore, Mystery Babylon's, end is described as: *“they will eat her flesh and burn her with fire”*), the United States will end its reign of terror over the nations of the earth in a devastating and conclusive nuclear holocaust.

And the only safe place to be, in relation to the United States, when that day comes, is anywhere other than North America!

Like the racist militant Hispanic movement, which intends to rid America of all its white inhabitants, falsely laying claim to territories that were never lawfully theirs (as revealed by the scriptural account of Noah dividing the earth among the descendants of his three sons (the progenitors of all solely human races on earth), this war will mainly be against all the descendants of Yasrael, in all their localities around the world; but primarily here in modern America, the United States, Canada, Australia, South Africa, western Europe, and the British isles.

The Coming Race Wars...

A devastating time of great tribulation is prophesied to come upon the entire earth, when the largely pagan nations of the world will attack, subdue and enslave the remnants of the white descendants of Noah who survive this impending evil time.

The babylonian mixing of all the races from all other nations on earth, in the “melting pot” of America, will end with the destruction of the United States.

This is, in fact, the entire purpose for them being encouraged to come and live in the United States of America by its foreign and domestic enemies, who are seeking a total end to the now largely former freedoms and liberties of this once great nation.

As we have already seen, prophecy reveals that these races and peoples will all return to their own lands, nations and countries, following the destruction of America – many taking the surviving white people along as their slaves – until the true descendants of Yasrael repent of their former evil and adulterous ways of rebellion and arrogant pride.

Only after turning to their Creator in total repentance, will they then find salvation from their degraded and humiliating poverty and imprisonment, through the returning Savior, followed by the long-awaited establishment of His truly just and righteous world-ruling Kingdom on earth.

Until that time, however, every other race, religion and nation will be against them – just as the laws in modern America now presume to make it a “crime” to be a white man or woman in the United States who seeks to preserve the legacy of their own culture and history – in the face of every other language, culture, race and religion, which are all deemed as “justified” in their racist and religious attempts to eradicate all white history.

These clashes of cultures, races and religions are allowed, by our caring Creator, simply because the religions and cultures of Ya’acob’s descendants today are largely pagan and in total and utter rebellion against the true religion and faith, including the form of government, revealed and commanded to be preserved by Yasrael’s Creator and true Savior, Yahveh!

Because the modern descendants of Yasrael, in America today, have never completely and wholeheartedly obeyed their own scriptures – or understood them prophetically – they are thereby doomed to receive the curses pronounced by Moses upon the disobedient (Deuteronomy 32), before their survivors are finally able to receive all the blessings (revealed in Deuteronomy 33); once they learn obedience and return to the Creator in heartfelt and permanent repentance.

Undeserved Blessings Upon America?

The former prosperity and riches of the United States, largely bequeathed to America by its Creator – despite being undeserving, as yet, of retaining those blessings – was actually a result of

AMERICA IN PROPHECY!

the fulfillment of ancient prophecies recorded in scripture, as a fore-type of the final ever-lasting blessings to be bestowed upon Yasrael's future descendants on earth!

That these riches and blessings have engendered the envy and animosity of other races, especially those so called "native Americans" and hispanics living within America – who despite how poorly they have done in their own countries of origin (including America) falsely believe and assert that these benefits and blessings are by right, and should be, theirs – is without question.

However Yasraelite Americans, those who are legitimately descendants of Yasrael (unlike many Ashkenazic Jews, who are mostly of foreign racial descent), are largely ignorant of their true heritage and the real origin of their many blessings.

That these blessings will soon be removed, to await a humbler and kinder generation more deserving of having greater and far better blessings than these restored, is also revealed in the same ancient scriptural prophecies.

Manasseh and Ephraim in Prophecy

The two sons of Yavceph ("Joseph") – among all the other tribes of Yasrael, the descendants of which include the European white races of Germany, France, Spain, Switzerland, Belgium, Holland, Sweden, Norway, Poland and other western and eastern European countries – were prophesied to be the recipients of the greatest blessings of all those promised to all of Yasrael's true heirs.

These brothers, Manasseh and Ephraim, are of prophetic significance to our world today because they represent the peoples of Great Britain and the United States!

In fact, these two modern world powers are specifically prophesied in one of the oldest of scriptural prophecies, the account of Ya'acob blessing the sons of Yavceph, found in Genesis 48.

The oldest brother, Manasseh, was presumably deserving of the greater blessing. But in a strange yet deliberate switch, the younger brother Ephraim received the greater blessing of the two, when Ya'acob crossed his hands, while placing them upon his grandsons' heads, to pronounce the blessings upon his grandsons' distant future descendants, mainly.

Specifically, this prophetic utterance was little understood by their father Yavceph:

"When Yavceph saw his father placing his right hand on Ephraim's head he was displeased; so he took hold of his father's hand to move it from Ephraim's head to Manasseh's head.

*"Yavceph said to him, 'No, my father, this one is the firstborn; put your right hand on his head.' But his father refused and said, 'I know, my son, I know. He too will become a people, and he too will become **great**. Nevertheless, his younger brother will be greater than he, and his descendants will become a **group of nations**'..." (Genesis 48:17-19).*

AMERICA IN PROPHECY!

What is utterly remarkable about this prophecy is found in the words of this blessing.

Manasseh, the eldest, was to become a “great” people, while his younger brother Ephraim was to become “a group of nations” (implying his older brother was to become a “great” nation).

Another way of saying this is “Great Britain,” which preceded the United States and is therefore the eldest of the two present world powers, must be Manasseh, while the younger brother of the ancient nation of England has become an even greater world power, as a “group of nations” (i.e. states) or the United States (nations and states are, in fact, the exact same thing)!

Contrary to the heathens in its midst, who clamor and rave against the blessings of these white descendants of America, the land of America was foreordained to belong to these Yasraelites before any of the supposed “native” inhabitants – so-called Indian or hispanic – ever dwelled upon the north American continent (ancient Yasraelite artifacts have, in fact, been discovered in Tucson, Arizona and also in a cave near the Great Lakes), since North America was the actual location of king Solomon’s fabled gold mines of Ophir.

The land of Ophir was ancient North America, and it has belonged to the descendant’s of Yasrael, by right of discovery, since the days of king Solomon....

Actually, America was intended for the descendants of Yasrael since Noah’s blessing upon his three sons and their descendants in Genesis 9:24-27, according to Creator Yahveh’s will (as reflected in Deuteronomy 32:8), giving the cold regions of earth to Yapeth and his oriental descendants, the hot regions to Ham and his black (including hispanic) descendants, and the temperate areas to Sem and his white descendants; each according to their physical attributes and needs.

All other races and claimants to the land known as North America are merely squatters and foreigners in a region of the world never intended to be theirs to begin with.

The word Ophir is an interesting one, revealing that the world was then known to be round, and was circumnavigated, just as ancient world maps, such as the Piri Re’is map of 1513 reveal (see: **Maps of the Ancient Sea Kings**, 1966, 1996, by Charles H. Hapgood); which charts the shores of an ice-free Antarctica, long before the maiden voyage of Christopher Columbus!

Ophir, in ancient Ibreyia (original “Hebrew”) meant “to revolve” like a wheel, an apropos name for a location around the world from ancient Yasrael.

In fact, this is not so incredible if you consider the fact, that according to ancient texts and legends from India, king Solomon personally traveled to the various nations of the ancient world, where he collected his 700 wives of royal birth, and 300 concubines (secondary or non-royal wives), 1,000 women in all (I Kings 11:2-3); and these texts record that when Solomon traveled it was in a flying Vimina or airship!

These facts of ancient technological wonders have been lost from most modern attempts at history, but they did in fact exist, just as modern means of air travel do today. You would be just as foolish to deny the ancient evidence as to try and deny that air travel is possible today.

AMERICA IN PROPHECY!

Given this reality, the Yasraelites well knew the fact of the world's true form, traveling to and even inhabiting vast reaches of the globe, long before the Indian or other tribes (including Hispanics) ever occupied the continent of north America.

Incan, Aztec and southern American Indian tribes also included accounts of white men long before the coming of the Spanish invaders, and therefore assumed they were the same men returning, as their legends predicted they would.

Over two thousand years before Columbus, apparently around 3,000 years ago, ancient Yasraelites were in America in a place called Los Lunas, New Mexico (at a location now known as Mystery Mountain), where they left an inscription in a form of Ibreyá (ancient "Hebrew"), pre-dating the Babylonian captivity (most likely from the very time of king Solomon), that includes the Ten Commandments.

Certainly the ships of Tarsis, which Solomon sent out on three year voyages, were used to bring exotic plants, animals, minerals, ores and precious riches from a long distance, and – to take that long – the Americas were their most likely ports of call.

This knowledge and reality of the ancient world is reflected in the very meaning of the name Ophir, the location of king Solomon's legendary gold mines, which apparently were situated on the other side of the world from his kingdom in ancient Yasrael!

This goes a long way toward explaining how Solomon's kingdom prospered above all the other ancient nations of the earth at that time, and ruled the world for the duration of king Solomon's 40-year reign.

Detailed Prophecy Concerning America

There is an entire book of scriptural prophecy dedicated to the United States of America – but this fact is little known, having been revealed through the same modern prophet who was the first to teach the true origin of America in scripture prophecy, who has continued to teach this important prophetic fact for more than the past three decades.

That book is called Yahvsave, or "Hosea" in most English bibles, and it is a remarkably accurate depiction of modern America, once you recognize the identification of Ephraim as the United States today!

In relation to modern America, the following prophetic scriptures are most revealing:

"Ephraim mixes with the nations; Ephraim is a flat cake not turned over" ("Hosea" 7:8).

A flat cake, or pancake, that isn't flipped soon becomes black on the bottom, while still remaining white on top. Consider this in light of the realities of the mixing of the races in America,

AMERICA IN PROPHECY!

where the white majority remain firmly in control – or on top – with the blacks, hispanics (black and brown races, among others), remaining largely, but discontentedly, in subservient positions at the bottom economically.

And in relation to the Federal Reserve, composed of many foreign banks and so-called multinational corporations that, according to a recent Swiss research study (wherein it was learned that 147 of the top transnational businesses control more than 40% of all global finances; i.e. they run entire countries for their often ill-gotten profits), and the current fiat currency-caused economic depression in America, this prophecy adds:

“Foreigners sap his strength, but he does not realize it. His hair is sprinkled with gray, but he does not notice” (“Hosea” 7:9).

In relation to the Camp David peace talks with Egypt, and overtures to modern-day Assyria (Russia), the typical gullibility of most Americans, their drunken parties, their “evolutionary” falsehoods masquerading as “science” – which in fact are nothing but pure fiction – claiming the Creator is either “dead” or never existed, and the age-old all-American penchant or “sport” of assassinating their presidents, this prophecy continues:

“Ephraim is like a dove, easily deceived and senseless – now calling to Egypt, now turning to Assyria. When they go I will throw my net over them; I will pull them down like birds of the air. When I hear them flocking together I will catch them.

“Woe to them, because they have strayed from me! Destruction to them, because they have rebelled against me!

“I long to redeem them but they speak lies against me.

“They do not cry out to me from their hearts but wail upon their beds. They gather together for grain and new wine but turn away from me.

“I trained them and strengthened them, but they plot evil against me. They do not turn to the Most High; they are like a faulty bow.

“Their leaders will fall by the sword because of their insolent words. For this they will be ridiculed in the land of Egypt” (“Hosea” 7:11-16).

The Great Whore

The greatest prostitute in history has been the nation that is considered the mightiest among the modern descendants of ancient Yasrael, which always went whoring away from her Creator running after every pagan government and religion of man.

AMERICA IN PROPHECY!

Then, and now, the great whore spoken of in the prophecies of Revelation and by the prophet YerimiYahv (“Jeremiah”) refers to these modern descendants of Yasrael, led by Ephraim in the guise of the United States of America (Genesis 48:19).

Despite the many blessings of fruitful land and productive people, Americans have continually fallen upon hard economic times (thanks to enemies within and without), in judgment against them from their heavenly Creator, to whom they pay lip service, and pretend to honor and respect, even as they ignore His Commandments, Laws and do as they please; for everyone does what is “true” and “right” in his own eyes – and not rather what is truly right and good – in defiance of His Law (Deuteronomy 12:8).

So the legislatures of modern America, and all other nations that are following its lead, have become insane with unbridled power, corrupted by bribes, perks and gifts, mad with ambitions and a lust for the private property of others, gained unjustly.

Statutes posing as law now choke the reams of “law” books, where decisions often in defiance of those very Laws are pretended to be legal precedent, and unjust laws that defy the Creator’s peaceful and merciful Commandments lead to every sort of injustice and crime against humanity, “in the name of the law,” but without the true Law’s just and legitimate authority.

Notice how America, and all of modern Yasrael’s descendants in the United Kingdom, Canada, Australia, South Africa, and all of Europe (including Germany) was prophesied to eventually come under a mighty dictatorship of their own devising, even as America whores herself among the nations (through the “United Nations”), leading to many curses, such as the current more than decade-long drought and fires in central Texas:

“They sow the wind and reap the whirlwind. The stalk has no head; it will produce no flour. Were it to yield grain, foreigners would swallow it up.

“Yasrael is swallowed up, now she is among the nations like a worthless thing. For they have gone up to Assyria [modern Russia] like a wild donkey wandering alone. Ephraim has sold herself to her paramours.

“Although they have sold themselves among the nations, I will now gather them together. They will begin to waste away under the oppression of the mighty king [ruler, or president; legitimate or, more likely, illegitimate]....

“I wrote for them the many things of my law, but they regarded them as something alien.’...

“Now He will remember their wickedness [lawlessness] and punish their sins. They will return to Egypt.

“Yasrael has forgotten his Maker and built palaces [skyscrapers, governor’s mansions, White

AMERICA IN PROPHECY!

Houses, etc.]: *Yavdah* ["Judah"] *has fortified many towns*. [Germany, the modern descendant of Yavdah, whose royal family has ruled the throne of England, has been a great modern military power; but notice what was to become of this.]

“‘But I will send fire upon their cities [such as Dresden during World War II] that will consume their fortresses’” (“Hosea” 8:7-10, 12, 13b-14).

Americans and the British have twice gone to war against their own brethren Yasraelites in Germany, and have twice prevailed in rigged contests, designed to further erode and ultimately destroy the monarchies of Europe, in the corrupt effort to finally enthrone one ultimate despot over all nations on earth.

(The main reason for opposing these kingdoms being to impose a “new world” dictator!)

The great prostitute of America, represented by the Statue of Liberty from libertine France, leads many daughter prostitutes among the nations of modern Yasrael, all of whom busily frustrate themselves in vain to rule over an unruly world...

Even as they rejoiced over their wartime victories, which only pulled them deeper into the snares of usury and war “reparations,” and debts to central banks, while subjected to their worthless fiat currencies, and making ill-gained “profits” gambling over commodities futures:

“Do not rejoice, O Yasrael; do not be jubilant like the other nations. For you have been unfaithful to your Almighty One; you desire the wages of a prostitute at every threshing floor [modern stock and commodities exchanges]. Threshing floors and winepresses will not feed the people; the new wine will fail them. They will not remain in Yahveh’s land [note: not “native American” or hispanic land].

“Ephraim will return to Egypt and eat unclean food in Assyria. They will not pour out wine offerings to Yahveh, nor will their sacrifices please Him....

“Even if they escape from destruction, Egypt will gather them, and Memphis will bury them. Their treasures of silver will be taken over by briars, and thorns will overrun their tents [homes]” (“Hosea” 9:1-4a, 6).

Modern Curses Foretold

The curses faced by modern Yasraelites, from America to the farthest flung nation of Yasrael’s modern-day descendants around the world, are numerous and many.

From medical mania (which refuses to acknowledge the known causes and cures for cancer, heart disease, strokes, diabetes, and most other modern plagues; while imposing its poisonous drugs, quack remedies, and worthless but ever-so costly procedures, operations and vehement

AMERICA IN PROPHECY!

attacks against anything and everything natural, painless, truly effective, inexpensive and safe) – including harmful vaccinations, drugs that make men and women sterile, abortions, birth and population controls, euthanasia (killing off of the chronically sick, the elderly, etc.) and similar atrocities – to attacks against fathers, mothers, and their families and children, under false charges of “abuse” and “neglect” (of which the state has become the leading perpetrator of these same crimes against once happy children, their parents, and aged adults).

Among those who have bought into the many lies of modern science fiction – such as fictional evolution, and its many false promises of “newer,” “better,” “improved” and its many unproven and utterly false prognostications of an idyllic future through its guidance – true prophecy and prophets are vilified and accused of insanity, while insane leaders of all stripes lead America and the world down many mostly false and self-destructive paths.

These have included repeatedly attacking, falsely accusing, convicting and imprisoning a prophet of Yahveh, while robbing him of his family and children (it should go without saying that any people calling a true prophet “insane” are themselves guilty of that which they accuse):

“The days of punishment are coming, the days of reckoning are at hand. Let Yasrael know this.

*“Because **your sins** are so many and **your hostility** so great, **the prophet is considered a fool, the inspired man a maniac**. The prophet, along with my Almighty One, is the watchman over Ephraim, yet **snare**s await him on all his paths, and hostility in the house of his Almighty One.*

“They have sunk deep into corruption, as in the days of Gibeah. The Almighty One will remember their wickedness and punish them for their sins.

“‘When I found Yasrael, it was like finding grapes in the desert; when I saw your fathers, it was like seeing the early fruit on the fig tree.

“‘But when they came to Ba'al Pevar [“Peor;” Beth Pevar, the sanctuary, mountain or gap of Pevar, a vile and shameful idol of ancient Idavom – or “Edom” – meaning: “cries” or “screaming,” a place of human sacrifice of children, similar to modern hospitals and abortion clinics], they consecrated themselves to that shameful idol and became as vile as the thing for which they care.

*“‘Ephraim’s glory will fly away like a bird – **no birth, no pregnancy, no conception**.*

*“‘Even if they rear children, I will bereave them of every one. Woe to them when I turn away from them! I have seen Ephraim, like Tyre, planted in a pleasant place [America]. But Ephraim **will bring out their children to the murderer** [abortionist].... Because of their sinful deeds, I will drive them out of my house, I will no longer care for them: all their leaders are rebellious.’*

[Including: presidents, judges – “supreme” or otherwise – legislators, governors, and military leaders, among others.]

AMERICA IN PROPHECY!

“Give them, O Yahveh – what will you give them? Give them wombs that miscarry and breasts that are dry.... ‘Ephraim is blighted, their root is withered, they yield no fruit. Even if they bear children, I will slay their cherished offspring.’

“My Almighty One will reject them because they have not obeyed Him; they will be wanderers among the nations” (“Hosea” 9:7-14, 15b-17).

The Insecurity State

Americans have actually enjoyed their many aggressive wars against other nations.

Americans rejoice and glory in their military might, and oppressions against weaker peoples – unable to defend themselves or their natural resources from the united American, British, French and various other allies in crimes against their fellow humanity – rather than spreading and securing actual peace, true safety or real security (such as from identification schemes, check points, invasive and lewd searches of persons and seizures of personal property, and similar offenses).

All of which will eventually result in these crimes coming home to roost, when the nations gather themselves to fight against and finally defeat America and Britain:

“When I please I will punish them; nations will be gathered against them to put them in bonds for their double sin.

“‘Ephraim is a trained heifer that likes to thresh; so I will put a yoke on her fair neck. I will drive Ephraim, Yavdah must plow, and Ya’acob must break up the ground.

“‘Sow for yourselves righteousness, reap the fruit of unfailing concern and care, and break up your unplowed ground; for it is time to seek Yahveh, until He comes and showers righteousness upon you.

*“‘But you have planted lawlessness, you have reaped evil, you have eaten the fruit of deception. Because **you have depended on your own strength and on your many warriors**, the roar of battle will rise against your people, so that all your fortresses will be devastated – as Salman destroyed Beth Arbel on the day of battle, when mothers were dashed to the ground with their children.*

“‘Thus will it happen to you, O Bethel, because your wickedness is so great.

“‘When that day dawns, the king of Yasrael will be completely destroyed’” (“Hosea” 10:10-15).

This refers to the president of the United States, or perhaps even the coming king of the United Kingdom, in modern terms.

Parallels Between America's First President and the First King of Ancient Yasrael

So many similarities exist between America's first "king" or president, and ancient Yasrael's first king, Savel ("Saul"), as to scarcely be the result of mere coincidence!

And like Yasrael's subsequent kings, or rulers, with rare and few exceptions, those who have been honored by the title of president in America have gradually and steadily been ever more vile and contemptible persons, until at last there is a foreigner who isn't even constitutionally (or scripturally) qualified to lead this once great nation, striving to mis-lead America down the primrose path to destruction (and largely succeeding, with the approbation, or tacit consent, of most blind, foolish and befooled Americans)!

Yasrael anciently rejected Creator Yahveh by demanding a king to rule over them, like the heathen nations around them. So the Almighty One gave them the man they wanted in the form of Savel.

King Savel was a tall man, *"a head taller than any of the others"* (I "Samuel" 9:2).

George Washington, at 6'4" stood a head taller than most other men in his day, the average height being 5'8" at that time.

Like Savel, Washington came from a modest background (he later married a wealthy widow), and both were reluctant to assume their positions as leaders, having the offices thrust upon them.

Both also became renowned military leaders, and both men died by having their blood shed by their own hands (Savel by asking his sword bearer to run him through, while Washington asked to be bled by his physicians, who succeeded in bleeding him to death fairly quickly).

In Savel's time there were 13 tribes in the small nation of Yasrael, in Washington's time there were 13 colonies that became the first 13 states of the United States of America.

King Savel pursued and harassed David and his men, after David was anointed as his successor, to become Yasrael's future king after Savel's death. Washington pursued and harassed King George III's men, the king of England being a direct descendant of king David, in the attempt to remove the colonies from England's political control, and ended up succeeding him as ruler over the American states.

Savel consulted the witch at Endor, while Washington embraced pagan freemasonry, a modern form or version of witchcraft (rebellion against the Creator being the exact same thing as the sin of witchcraft; as related to king Savel by the prophet Samvel, I "Samuel" 15:23).

Savel was arrogant and trusted his own opinions more than Creator Yahveh's revealed will through his chosen prophet. Washington, a "deist," did not believe that a Creator intervenes in

AMERICA IN PROPHECY!

human affairs, prophecies through prophets, or causes miracles for the deserving (or, for that matter, sends curses upon the disobedient).

Washington was also arrogant in desiring a monarchy-like strong central government, by trusting his former aide Alexander Hamilton – and his attempts to set up a national central bank, the first Bank of the United States – appointing Hamilton as the first Secretary of the Treasury during his presidency.

From this position Hamilton attempted to foment a war with France (which Hamilton's opponent, vice-president under Washington, John Adams, who later became the second president of the United States (despite several attempts by Hamilton to rig the election against him), managed to narrowly avert through peaceful diplomacy.

Washington, like king Savel, trusted his own opinion rather than his Creator's, setting the stage for ultimate frustration, and finally discontent among Americans, over his leadership.

America's Blessings and Coming Judgment...

Despite the false deistic belief that our Creator does not know, care or intervene in human affairs, the United States came into existence, and flourished, solely due to His guiding hand and blessings of providence; without which the United States could not have existed, endured as long as it has, or received all the blessings it has enjoyed.

America's judgment and final end will also come about as a result of Creator Yahveh's direct intervention in its affairs, despite the will, wishes, or militant attempts of modern deistic-like leaders of the United States to prevent it, as they strive to put American lives at stake in seemingly endless, dishonest and deceitful wars around the world:

“When Yasrael was a child, I cared for him, and out of Egypt I called my son. But the more I called Yasrael, the further they went from me.

“They sacrificed to the Ba'alim and they burned incense to images.

“It was I who taught Ephraim to walk, taking him by the arms; but they did not realize it was I who healed them. I led them by cords of human kindness, with ties of concern and care; I lifted the yoke from their neck and bent down to feed them.

“Will they not return to Egypt and will not Assyria rule over them because they refuse to repent? Swords will flash in their cities, will destroy the bars of their gates and put an end to their plans.

“My people are determined to turn from me. Even if they call to the Most High, He will by no means exalt them....

“Ephraim has surrounding me with lies, the house of Yasrael with deceit.’ And Yavdah is unruly against the Almighty One, even against the faithful Sacred One.

AMERICA IN PROPHECY!

“Ephraim feeds on the wind; He pursues the east wind all day and multiplies lies and violence. He makes a treaty with Assyria and sends olive oil to Egypt.

[Such as the alliance between Great Britain, the United States, and France with both China and Russia since 1946, under president Harry Truman – through the United Nations Security Council – and through the Camp David Peace Accords between “Israel” and Egypt, in 1978 under president Jimmy Carter.]

“Yahveh has a charge to bring against Yavdah; He will punish Ya’acob according to his ways and repay him according to his deeds.

“In the womb he grasped his brother’s heel; as a man he struggled with the Almighty One. He struggled with the angel and overcame him; he wept and begged for his favor. He found him at Bethel and talked with him there – Yahveh of hosts, Yahveh is His name of renown!

“But you must return to your Almighty One; maintain caring concern and justice, and wait for your Almighty One always.

“The merchant uses dishonest scales; he likes to defraud! Ephraim boasts, ‘I am very rich; I have become wealthy. With all my wealth they will not find in me any lawlessness or sin.’

“‘I am Yahveh your Almighty One, who brought you out of Egypt; I will make you live in tents again, as in the days of your appointed feasts.

“‘I spoke to the prophets, gave them many visions and told parables through them.’...

“Yahveh used a prophet to bring Yasrael up from Egypt, by a prophet He cared for him.

“But Ephraim has bitterly provoked Him to anger; his Sovereign will leave upon him the guilt of his bloodshed and will repay him for his contempt” (“Hosea” 11:1-7, 12, 12:1-10, 13-14).

America’s Financial Idolatry – Where It’s Leading the U.S.

Nowadays people speak of bulls and bears in relation to financial matters.

They hate bears, when the economy sinks, but worship bulls, when the economy booms and everything seems well with the world!

Silver coins, stamped with idolatrous images, were once the currency of Americans, but are now largely the province of moneychangers and so-called collectors, or money speculators hoping to profiteer off the economic suffering of a nation now deprived of any non-fiat currency, and thereby enslaved by their own ignorance.

Never before in history have a nation of people been so enthralled by such a false system of

AMERICA IN PROPHECY!

financial skullduggery and chicanery than right here in America, with its foreign owned, anything but “Federal,” Reserve bank and its stranglehold upon the economy on behalf of its foreign owners and masters.

To know who these are you only need closely look at who all the past chairmen of the “Federal” Reserve board and bank have been, and still are.

A false, lying, duplicitous and usurious minority people are at the forefront, actively controlling and manipulating the American economy for their own nefarious ends....

Ends that include the infanticide of abortions, or prevention of future pregnancies by means of so-called “planned parenthood,” and similar deliberately mislabeled schemes.

If you need anyone to tell you who this malicious bestial power is, you are too deaf, dumb (from false schooling, manufactured “news,” and false misleaders of government and religion), blind and lacking in discernment to profit from any attempt to wake you up at this late hour in world history (but if you diligently search historical events, you will see this enormously evil but nearly invisible hand behind most bloody civil and uncivil wars, insurrections, rebellions, riots, terrorist acts, insurgencies, and treasonous acts since ancient times!

Now that Fort Knox is largely emptied of its former wealth, by stealth, trickery and deceit that is unparalleled in history, Americans groan and gripe over an economic collapse they have allowed to develop with their tacit approval, as foreign aid and similar boondoggles now deprive more aging Americans of their basic survival and subsistence needs.

Here is how an ancient prophet foretold of modern America’s idolatry, and how it will finally bring this once great country to its knees in economic and military defeat:

“‘When Ephraim spoke, men trembled; he was exalted in Yasrael. But he became guilty of Ba’al worship and died.

“‘Now they sin more and more; they make idols for themselves from their silver, cleverly fashioned images, all of them the work of craftsmen.

*“‘It is said of these people, “**They offer human sacrifice and kiss the calf idols,**” Therefore they will be like the morning mist, like the early dew that disappears, like chaff swirling from a threshing floor, like smoke escaping through a window.*

“‘But I am Yahveh your Almighty One, who brought you out of Egypt. You shall acknowledge no Almighty One but me, no Savior except me.

*“‘I cared for you in the desert, in the land of burning heat. When I led them, they were satisfied; **when they were satisfied, they became proud;** then they forgot me.*

AMERICA IN PROPHECY!

*“So I will come upon them like a lion, like a leopard I will lurk by the path. **Like a bear robbed of her cubs. I will attack them and rip them open.** Like a lion I will devour them; a wild animal will tear them apart.*

“You are destroyed, O Yasrael, because you are against me, against your helper.

“Where is your king, that he may save you? Where are your rulers in all your towns, of whom you said, “Give me a king and princes”? So in my anger I gave you a king, and in my wrath I took him away.

*“The guilt of Ephraim is stored up, his sins are kept on record. Pains like a woman in childbirth come to him, but **he is a child without wisdom**; when the time arrives, he does not come to the opening of the womb.*

“I will ransom them from the power of the grave; I will redeem them from death. Where, O death, are your plagues? Where, O grave, is your destruction?

“I will have no compassion; even though he thrives among his brothers, an east wind from Yahveh will come, blowing in from the desert.

“His spring will fail and his well dry up, his storehouse will be plundered of all its treasures.

*“The people of Samarvan [“Samaria,” meaning: “watch station”] **must bear their guilt, because they have rebelled against their Almighty One.***

*“They will fall by the sword [warfare, police state arrests, political executions, etc.]; **their little ones will be dashed to the ground, their pregnant women ripped open**” (“Hosea” 13:1-16).*

These horrific events are about to transpire, in this “modern, enlightened age” – just as they were prophesied thousands of years before – upon the United States of America, among others.

Hope Only Following Repentance

Americans are besieged from within on every side by domestic and foreign enemies. It is doubtless that wherever there is prosperity there will rise up conspirators – the envious and those who are violent, mercenary, or treacherous – to unjustly take away from the productive the fruits of their labors; including their peace, their prosperity, their property, and even their lives.

Toleration of repeat offenders by a system of injustice, which frees violent and habitual criminals to increase the level of crimes, and toleration of judges that are responsible for condoning, allowing and helping create, aid and abet such felonious activities, is a great evil in our Creator’s eyes; greater than the merciful and swift justice of executing those guilty of death penalty offenses, as defined by His (not man’s) Law!

AMERICA IN PROPHECY!

Rebellion against His Commandments has led modern mankind down many false paths to a fabled world of the future that has proved false and dangerous at every turn.

Americans should now, more than ever, pay heed to the words of the prophet who fore-told this very condition, and the calamity that now threatens to erupt onto the world scene as a result, or the joyous time of peace and prosperity that will finally ensue once we lead the world in heart-felt, sincere and lasting repentance:

*“Return [repent], O Yasrael, to Yahveh your Almighty One. **Your sins have been your downfall!** Take words with you and return to Yahveh.*

“Say to Him, ‘Forgive all our sins and receive us graciously, that we may offer the fruit of our lips. Assyria cannot save us; we will not mount war horses. We will never again say “Our mighty ones” to what our own hands have made, because in you the fatherless find compassion.’

“‘I will heal their waywardness and care for them freely, for my anger has turned away from them. I will be like the new dew to Yasrael; he will blossom like a lily.

“‘Like a cedar of Lebanon he will send down his roots; his young shoots will grow. His splendor will be like an olive tree, his fragrance like a cedar of Lebanon.

“‘Men will again dwell in his shade. He will flourish like a grain. He will blossom like a vine, and his fame will be like the wine from Lebanon.

*“‘O Ephraim, what more have I to do with idols? I will answer him and care for him. I am like a green pine tree; **your fruitfulness comes from me.**’*

“Who is wise? He will realize these things.

“Who is discerning? He will understand them.

“The ways of Yahveh are right; the righteous walk in them, but the rebellious stumble in them” (“Hosea” 14:1-9).

At The Turning Point

A fork in the road lies in America’s immediate future, and the outcome for this country very much depends upon which path its people choose to take from here.

The violent and vile will cease to clamor for the blood of the innocent, one way or the other, for an end will come to the predatory, the greedy, the lazy, the indifferent; and all those who care for and desire violence and oppression.

AMERICA IN PROPHECY!

Those oppressors in our midst, who commit atrocities in the name of “security,” or who raid the homes and businesses of the innocent and harmless, for the sake of a growing federal tyranny and despotism, will have their day irrevocably.

The vengeful hand of our Creator will finally take these wicked ones to task for their many and sundry crimes!

Those who have been their unjust prey will, if they are humble and faithful, repentant and trusting in their Creator’s salvation, have no need for arms, weapons or military might to fight back or retaliate.

Without any of these their cause can and will be upheld against seemingly insurmountable odds and countless enemies without number, from every agency, quarter or illegitimate cause.

Those who have never been wronged, victimize others innocent of any wrongdoing, in the false name of reparations for imagined crimes against their ancestors allegedly by the ancestors of those who are so abused today – by people who envy their blessings, and seek to appropriate these for themselves by any means possible – in the end will finally see the “justice” of their causes explode in their collective faces!

Creator Yahveh is not to be mocked, nor can He be fooled into giving ear to such raucous and rabble voices of envy, hatred, dissension or racial, political and social strife.

Every man and woman will receive the reward that is due him or her, each according to his or her actions and hidden thoughts; the full measure of their hearts being repaid to them and to their posterity after them, if there are to be any.

Some entire races or families will simply cease to be, should they prove incapable of producing a righteous crop and fruit fitting and suitable to a peaceful, repentant and righteous people.

Others will prosper in ways undreamed of by all the advertising pitch men with their false and deceitful promises; leading the unwary, the foolish, and the gullible down ultimately harmful and self-destructive paths to perdition, instead of the idyllic, perfect and peaceful world of tomorrow they each proclaim in their own idolatrous image!

Rather than a world where conniving, dishonest reporters shock and chagrin the populace in the name of ratings and advertising profits – often from deceitful and deadly drug manufacturers for their many potions, pills and powders, which cause far more harm than any alleged “cure” they falsely proclaim – truthful, good, happy and peaceful news will no longer be ignored or shoved aside, abandoned along with common sense, honor, and basic human decency.

Facts will no longer be ignored, or vilified, in favor of exalted fables cleverly conceived and contrived to mislead and deceive a foolishly trusting populace.

AMERICA IN PROPHECY!

Politicians will no longer rape, pillage and plunder the finances of the people they do disservice to, with all their false and malicious legislation, conniving words, and daring, duplicitous activities on behalf of their corporate and economic cronies in crime.

Money changers and bankers will no longer hold entire nations to ransom, to pay endlessly for their banker's criminal acts of usury, theft and mismanagement.

No longer will the property and lives of innocent people be pledged as collateral for the debts and profligacy of all these manipulative, thieving, uncaring, and dangerously despotic would-be world mis-rulers.

The hidden hands of the mega-rich, secretive, clandestine conspirators and handlers in our midst, or from without, through false front foundations, committees, commissions, and many so-called councils, will finally be exposed for all the world to see their massively evil and destructive hand behind every conspiracy, tumult and violent oppression around the world, including right here in the United States of America, since before it was founded as a nation until now!

Their day of reckoning is not slumbering, nor will their just destruction be delayed in its full force and fury, when Creator Yahveh finally arises from His throne to execute true justice and permanently rout every enemy of lasting peace and prosperity for all.

All those who hate all other races but their own, whose hand is behind every form of violence, stealth, murderous antipathy, violent attacks, false flag operations of secret agents fomenting fear, division, confusion and underhanded robbery, assassination, torture of innocents and terrible acts of mass violence, blaming them upon their victims by calling the innocent "terrorists," will at long last have their complete and total comeuppance.

Such evils must soon come to a violent end, for they will be made to suffer according to their own crimes and sins against their fellow humanity, and against the very Creator Himself, whose long silence is about to come to a deafening and conclusive end!

But First Justice Must Return To Rule The Earth!

America will likely not survive to see the day when true freedom will finally prevail on earth.

The great whore, along with all her prostitute daughter cities across America, and throughout the world, will finally come to a screeching halt, ending in violence; overthrown in judgment for the many evils they have busily perpetrated around the world for a dozen decades or more.

Americans who survive the coming onslaught will go into captivity in foreign lands, where they will be mistreated cruelly, fed wretched, abominable filth, and otherwise abused, tortured and oppressed, until they finally realize the errors of their arrogant, uncaring ways and return to their caring Creator in full and total repentance, with all of their hearts, minds and spirit!

AMERICA IN PROPHECY!

Only then will their times of punishment finally be lifted, when an errant world is brought to its knees by the returning Messiah (King of kings, and Priest of priests; or President of presidents, Judge of judges and Minister of ministers, if you prefer), who will act to bring lasting peace and prosperity to a war-torn, decimated, and massively polluted world at long last.

The ignoble experiment in human self-rule and self-determination will finally come to a tumultuous and cataclysmic end.

Military adventurism, might and ruthless oppression will no longer prevail over the poor, the innocent, or downtrodden of the earth.

Ill-gotten gains from corporate and banker instigated corruption, fraud and avarice will no longer be tolerated or used as an excuse for still further financial assaults against the defenseless victims of greed and theft, from corporate raiders, financial institutions and governments alike.

No longer will every man seek the supposed truth from his neighbor, or a prophetic word from an alleged seer, news commentator, priest, religious leader, politician or judge – whose only true motives have been, and are, power and control, monetary or other gain, and every other sort or kind of advantage, notoriety and carnal fame.

Long gone will be the modern “idols” of lewd and raucous “entertainment,” leaders, legislators and judges, who will in fact be driven quite insane by all that they will see happening to this world, largely as a result of their very own pernicious brand of social poison, corruption and falsehoods:

“‘A sword against the Babylonians!’ declares Yahveh – ‘against those who live in [the same spirit and modern embodiment of ancient] Babylon and against her officials and wise men!

“‘A sword against her false prophets! They will become fools. A sword against her warriors! They will be filled with terror.

“‘A sword against her horses and chariots [vehicles] and all the foreigners in her ranks! They will become women.

“‘A sword against her treasures! They will be plundered. A drought on her waters! They will dry up.

“‘For it is a land of idols, idols that will be driven insane with terror’” (“Jeremiah” 50:35-38).

This just judgment is richly deserved:

“‘Come out of her, my people! Run for your lives! Run from the fierce anger of Yahveh.

“‘Do not lose heart or be afraid when rumors are heard in the land; one rumor comes this year, another the next, rumors of violence in the land and of ruler against ruler.

AMERICA IN PROPHECY!

*“For the time will certainly come when **I will punish the idols of Babylon**; her entire land will be disgraced and her slain will all lie fallen within her.*

“Then heaven and earth and all that is in them will shout for joy over Babylon, for out of the north destroyers will attack her,’ declares Yahveh.

*“**Babylon must fall because of Yasrael’s slain, just as the slain of all the earth have fallen because of Babylon.***

“You who have escaped the sword, leave and do not linger! Remember Yahveh in a distant land, and think on Yaravsalem”’ (“Jeremiah” 51:45-50).

True Paradise At Last!

All true Yasraelites will yet return to the land of their origin, and only then will the rich and blissful prophecies all be finally fulfilled (as they are anything but, under the current occupants and false claimants to that land, under the deceitful name of “Israel” today):

“Yahveh will roar from Ziavon and thunder from Yaravsalem; the earth and the sky will tremble. But Yahveh will be a refuge for His people, a stronghold for the people of Yasrael.

*“Then you will know that I, Yahveh your Almighty One, dwell in Ziavon, my sacred hill. Yaravsalem will be sacred; **never again will foreigners invade her.***

“In that day the mountains will drip new wine, and the hills will flow with milk; all the ravines of Yavdah will run with water. [You will notice this has not happened under the “Jews”!]

*“A fountain will flow out of Yahveh’s house and will water the valley of acacias. But Egypt will be desolate, Idavom [“Edom,” the actual progenitor of most modern Ashkenazic Jews] **a desert waste, because of the violence done to the people of Yavdah [Germany], in whose land they shed innocent blood.***

“Yavdah will be inhabited forever and Yaravsalem through all generations.

“Their bloodguilt, which I have not pardoned, I will pardon.’

*“**Yahveh dwells in Ziavon!**” (the name for His sacred congregation; “Joel” 3:16-21).*

True blessings will follow the final and inevitable denouement of America, after all the dust settles and the climactic events about to unfold have come to their startling conclusion. Which will be wholly unexpected results for many Commandment-denying, lawless Christians, awaiting a “rapture” that will never come for them:

“Surely the eyes of Sovereign Yahveh are on the sinful kingdom. ‘I will destroy it from the face of the earth – yet I will not totally destroy the house of Ya’acob,’ declares Yahveh.

AMERICA IN PROPHECY!

“‘For I will give the command, and I will shake the house of Yasrael among all the nations as grain is shaken in a sieve, and not a pebble will reach the ground.

“‘All the sinners [i.e. Commandment breakers; I “John” 3:4] among my people will die by the sword, all those who say, “Disaster will not overtake or meet us.” [Those “Christians” who think they stand should take heed, lest they fall! I Corinthians 10:12]

“‘In that day I will restore David’s fallen tent. I will repair its broken places, restore its ruins, and build it as it used to be, so that they may possess the remnant of Idavom and all the nations that bear my name,’ says Yahveh, who will do these things.

“‘The days are coming,’ declares Yahveh, when the reaper will be overtaken by the plowman and the planter by the one treading grapes. New wine will drip from the mountains and flow from all the hills.

“‘I will bring back my exiled people Yasrael; they will rebuild the ruined cities and live in them. They will plant vineyards and drink their wine; they will make gardens and eat their fruit.

“‘I will plant Yasrael in their own land [when the above prophesied events take place; a land where they evidently are not prior to the fulfillment of this prophecy], never again to be uprooted from the land I have given them,’ says Yahveh your Almighty One” (“Amos” 9:8-15).

These things are more certain than death and taxes, for they are promised by He who controls all tax-collectors, and has power over death itself; the ultimate power to restore to life and blessings those deserving of them, and to judgment and destruction those who are not.

The World Will Witness And Wonder...

America’s eventual destruction, the final salvation of all true Yasraelites, and return from their prisons and final captivity to the promised blessings of Yahveh’s Kingdom on earth at last, will be a source of wonderment and awe to all the heathen nations.

Here, in a breathtakingly accurate description of modern America – and all her fellow-Yasraelite nations of Great Britain, Canada, Germany and the rest of Europe, South Africa and Australia – that exposes the great evils even now transpiring in our midst, the just judgments coming upon those guilty of these massive crimes, and the final salvation of those who put their sole trust in Creator Yahveh (our Messiah, Yahvsave; or Yahveh our Savior) is foretold:

“‘What misery is mine!

“‘I am like one who gathers summer fruit at the gleanings of the vineyard; there is no cluster of grapes to eat, none of the early figs that I crave.’

“‘The righteous have been swept from the land; not one upright man remains. All men lie in wait to shed blood; each hunts his brother with a net.

AMERICA IN PROPHECY!

*“Both hands are skilled in doing evil; the ruler demands gifts, the judge accepts bribes, the powerful dictate what they desire – **they all conspire together** [You should dare call it conspiracy!].*

“The best of them is like a brier, the most upright worse than a thorn hedge.

“The day of your watchmen has come, the day the Almighty One visits you.

“Now is the time of their confusion. Do not trust a neighbor; put no confidence in a friend. Even with her who lies in your embrace be careful of your words.

“For a son dishonors his father, a daughter rises up against her mother, a daughter-in-law against her mother-in-law – a man’s enemies are the members of his own household.

“‘But as for me, I watch in hope for Yahveh, I wait for the Almighty One my Savior; my Almighty One will hear me.

“‘Do not gloat over me, my enemy! Though I have fallen, I will rise. Though I sit in darkness, Yahveh will be my light.

“‘Because I have sinned against Him, I will bear Yahveh’s wrath, until He pleads my case and establishes my right.

“‘He will bring me out into the light; I will see His righteousness [prevail].

“‘Then my enemy will see it and will be covered with shame, she who said to me, ‘Where is Yahveh your Almighty One?’ My eyes will see her downfall; even now she will be trampled underfoot like mire in the streets.’

“The day for building your walls will come, the day for extending your boundaries. In that day people will come to you from Assyria and the cities of Egypt, even from Egypt to the Euphrates and from sea to sea and from mountain to mountain.

*“**The earth will become desolate because of its inhabitants, as the result of their deeds.***

“Shepherd your people with your staff, the flock of your inheritance, which lives by itself in a forest, in fertile pasturelands. Let them [return to] feed in Basan and Gilead as in days long ago.

“‘As in the days when you came out of Egypt, I will show them my wonders.’

“Nations will see and be ashamed, deprived of all their power. They will lay their hands on their mouths and their ears will become deaf. They will lick the dust like a snake, like creatures that crawl on the ground.

“They will come trembling out of their dens, they will turn in fear to Yahveh our Almighty One and will be afraid of you.

AMERICA IN PROPHECY!

“Who is an Almighty One like you, who pardons and forgives the transgression of the remnant of His inheritance?”

“You do not stay angry forever but delight to show mercy. You will again have compassion on us; you will tread our sins underfoot and hurl all our lawlessnesses into the depths of the sea.

“You will be true to Ya’acob, and show mercy to Abraham, as you pledged on oath to our fathers in days long ago” (Micah 7:1-20).

Wicked Injustice In The Courts And Against Nations Will End...

Just as this author has experienced already, numerous times so far in the last decade alone, terrible injustices and crimes are taking place in courts, jails and prisons all across America.

And America now sustains its failing economy upon the stolen natural resources of nations and peoples it has unjustly and falsely declared to be its “enemies.”

And the insanity of silicon chips (stone) and gold or silver-plated circuit boards, in the computers that are programmed to display aggressive, warlike scenarios in simulated games and so-called “entertainments” – which are made to act like and mimic human thought, speech and actions – and robotic devices being thought of now as some form of “artificial life,” was prophesied long ago for the sort of idolatrous insanity it in fact is.

Here is a prophetic description of these tumultuous times, and the coming judgment that will ultimately eradicate these injustices finally and permanently, after America’s wars of aggression against the nations of earth have finally been brought to an abysmal end:

“How long, O Yahveh, must I call for help, but you do not listen? Or cry out to you, ‘Violence!’ but you do not save?”

“Why do you make me look at injustice? Why do you tolerate wrong? Destruction and violence are before me; there is strife and conflict abounds.

“Therefore the law is paralyzed, and justice never prevails. The wicked hem in the righteous, so that justice is perverted.

“‘Look at the nations and watch – and be utterly amazed.

“‘For I am going to do something in your days that you would not believe, even if you were told.

“‘I am raising up the Babylonians, that ruthless and impetuous people who sweep across the whole earth to seize dwelling places not their own.

“‘They are a feared and dreaded people; they are a law unto themselves and promote their own honor.

AMERICA IN PROPHECY!

“Their horses are swifter than leopards, fiercer than wolves at dusk. Their calvary gallops headlong; their horsemen come from afar. They fly like a vulture swooping to devour; they all come bent on violence.

*“Their hordes advance like a **desert wind** [as in “Desert Storm”] **and gather prisoners like sand** [such as held at Guantanamo on the island of Cuba]. **They deride kings and scoff at rulers** [such as Saddam Hussein, Muammar Gaddafi of Libya, etc.]. **They laugh at fortified cities; they build earthen ramps and capture them. Then they sweep past like the wind and go on – guilty men whose own strength is their mighty one.**’*

“O Yahveh, are you not from everlasting?

“My Almighty One, my Sacred One, we will not die.

“O Yahveh, you have appointed them to execute judgment; O Rock, you have ordained them to punish. Your eyes are too pure to look on evil; you cannot tolerate wrong.

“Why then do you tolerate the treacherous? Why are you silent while the wicked swallow up those more righteous than themselves?

“You have made men like fish in the sea, like sea creatures that have no ruler. The wicked enemy pulls all of them up with hooks, he catches them in his net, he gathers them in his dragnet; and so he rejoices and is glad.

“Therefore he sacrifices to his net and burns incense to his dragnet, for by his net he lives in luxury and enjoys the choicest food.

*“Is he to keep on emptying his net, **destroying nations without mercy?**...*

“Then Yahveh replied:

“Write down the revelation and make it plain on tablets so that a herald may run with it.

*“For the revelation awaits an appointed time; it speaks of **the end** and will not prove false. Though it lingers, wait for it; it will certainly come and will not delay.*

*“Look, he is puffed up; his desires are not upright – but the righteous will live by his belief – indeed, wine betrays him; **he is arrogant and never at rest.***

“Because he is as greedy as the grave and, like death is never satisfied, he gathers to himself all the nations and takes captive all the peoples.

*“**Will not all of them taunt him with ridicule and scorn**, saying, “Woe to him who piles up stolen goods and makes himself wealthy by extortion! How long must this go on?”*

AMERICA IN PROPHECY!

“Will not your debtors suddenly arise? Will they not wake up and make you tremble?

“Then you will become their victim. Because you have plundered many nations, the peoples who are left will plunder you. For you have shed man’s blood; you have destroyed lands and cities and everyone in them.”

“Woe to him who builds his realm by unjust gain to set his nest on high, to escape the clutches of ruin!

“You have plotted the ruin of many peoples, shaming your own house and forfeiting your life. The stones of the wall will cry out, and the beams of the woodwork will echo it.

“Woe to him who builds a city with bloodshed and establishes a town by crime!

“Has not Yahveh of hosts determined that the people’s labor is only fuel for the fire, that the nations exhaust themselves for nothing?

“For the earth will be filled with the knowledge of the glory of Yahveh, as the waters cover the sea.

“Woe to him who gives drink to his neighbors, pouring it from the wineskin till they are drunk, so that he can gaze on their naked bodies.

“You will be filled with shame instead of glory. Now it is your turn! Drink and be exposed! The cup from Yahveh’s right hand is coming around to you, and disgrace will cover your glory.

“The violence you have done to Lebanon will overwhelm you [fulfilled by “Israeli” attacks, using arms and money supplied by America, judged in prophetic fore-type by the bombing of the U.S. embassy in Beirut in 1983], and your destruction of animals will terrify you. For you have shed man’s blood; you have destroyed lands and cities and everyone in them.

“Of what value is an idol, since a man has fashioned it? Or an image that teaches lies? For he who makes it trusts in his own creation; he makes idols that cannot speak.

“Woe to him who says to wood, ‘Come to life!’ Or to lifeless stone, ‘Wake up!’

“Can it give guidance? It is covered with gold and silver; there is no breath in it.

“But Yahveh is in His Sacred Temple; let all the earth be silent before him!” (Habakkuk 1:2-17, 2:2-20).

This is something that is prophesied to take place in the not too distant future, at the battle called “Armageddon” in Revelation 16:16.

America's And The World's Comeuppance

A time of wrath and great mercy is coming upon the entire earth; wrath to the enemies of Creator Yahveh and His people, and compassion and salvation to His chosen elect, along with whoever is worthy enough to survive the coming carnage.

These things must come to pass simply because the earth – and all life upon it – are now in the process of being corrupted through genetic tampering, massive chemical and drug pollution of the environment and food and water supply, widespread and deliberate pollution of the atmosphere with chem-trails from military and commercial aircraft – in a covert attempt at population decimation, by nefarious forces in control of what people falsely think of as their “own” government – among other similar great evils.

How could the merciful Creator's justifiable wrath not be stirred by what is being done to corrupt and ruin His perfect creation by insane science, out-of-control political greed, stupidity, avarice and cupidity, and equally mad presidential/military ambitions?

The ancient prophets of Yahveh spoke and wrote of these things, and what is about to transpire on earth, flabbergasted and chagrined by what they witnessed in prophetic visions of things yet to come:

“Yahveh, I have heard of your fame; I stand in awe of your deeds, O Yahveh. Renew them in our day, in our time make them known; in wrath remember mercy.

“The Almighty One came from the southland, the Sacred One from Mount Paran.

“His glory covered the heavens and His praise the earth. His splendor was like the sunrise; light flashed from His hand, where His power was secreted.

“Plague went before Him; pestilence followed His steps. He stood, and shook the earth; He looked and caused the nations to tremble. The ancient mountains crumbled and the age-old hills collapsed. [Major earthquakes, the worst of which are still to come!]

“His ways are everlasting. I saw tents of Cusan in distress, the dwellings of Midian in anguish [modern day Kuwait and Saudi Arabia].

“Were you angry with the rivers, O Yahveh? Was your wrath against the streams? Did you rage against the sea when you rode your horses and your victorious chariots? [Or: UFOs; Unidentified Flying Objects, in modern parlance.]

“You uncovered your bow, you called for many arrows. You split the earth with rivers; the mountains saw you and writhed. Torrents of water swept by; the deep roared and lifted its waves on high [enormous tsunamis].

AMERICA IN PROPHECY!

“Sun and moon stood still in the heavens at the glint of your flying arrows, at the lightning of your flashing spear [perhaps solar flares and other similar earthshaking, great cosmic displays of lightning between heavenly bodies of the solar system; such as apparently caused the craters, rifts and chasms seen on the surfaces of the moon, Mars and numerous other planets and moons of this solar system – including the Grand Canyon, and the nearby Sunset Crater, and all of the other smaller craters within it – and in many other locations still visible on earth].

“In wrath you strode through the earth, and in anger you threshed the nations. You came out to save your people, to save your anointed one.

“You crushed the leader of the land of wickedness, you stripped him from head to foot. Pause and carefully consider this.

“With his own spear [Missile, laser or particle beam weapon?] you pierced his head when his warriors stormed out to scatter us, gloating as though about to devour the wretched who were in hiding.

“You trampled the sea with your horses, churning the great waters.

“I heard and my heart pounded, my lips quivered at the sound; decay crept into my bones, and my legs trembled.

“Yet I will patiently wait for the day of calamity to come on the nation invading us.

“Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, I will yet rejoice in Yahveh, I will be joyful in the Almighty One my Savior.

“The Sovereign Yahveh is my strength; He makes my feet like the feet of a deer; He enables me to go on the heights...” (Habakkuk 3:2-19).

The Conclusive Battle For Earth...

Like some nightmarish science-fiction scenario, humanity will fight the coming Kingdom of peace, and its Prince, the returning Savior Yahveh, with false conviction of their “right” to continue destroying the earth and all life upon it.

The invading “aliens” will, however, include the prophets, apostles, righteous men, women, and kings from ancient times, up to and including some contemporary men and women, all of whom will take part in the wedding supper of the Lamb in heaven, before the throne of the Ancient of Days, Yahveh the Father; as participants in the first and more glorious resurrection.

When the dead come back to life, and are raised up in the first resurrection (only), incorruptible spirit beings no longer subject to death, a period of three and a half years will elapse. During this

AMERICA IN PROPHECY!

time those who remain on earth, but did not qualify for this monumental blessing of the ages, all those who will maintain their faith, will be persecuted and attacked, tortured, starved, imprisoned and finally beheaded by the coming bestial ruler over the entire earth.

This despot, along with the false-accuser, adversarial serpent/dragon spirit being that possesses him, is the one whose head will finally be crushed, and who will ultimately be destroyed by the returning Savior in a volcanic Lake of Fire!

Populations will be decimated, with few surviving this terrible time; which is about to take place in short order, a very few years from this late date:

“‘Awake, O sword, against my shepherd, against the man who is close to me! says Yahveh of hosts. Strike the shepherd and the sheep will be scattered, and I will turn my hand against the little ones.

*“‘In the entire land,’ declares Yahveh, ‘two-thirds will be struck down and perish; yet one-third will survive through it. **This third I will bring into the fire; I will refine them like silver and test them like gold.***

“‘They will call on my name and I will answer them; I will say, “They are my people,” and they will say, “Yahveh is our Almighty One.”’

“A day of Yahveh is coming when your plunder will be divided among you.

“‘I will gather all the nations to Yeravsalem to fight against it; the city will be captured, the houses ransacked, and the women raped. Half of the city will go into exile [captivity, or prison camps], but the rest of the people will not be taken from the city.’

“Then Yahveh will go out and fight against those nations, as He fought in the day of battle. On that day His feet will stand on the Mount of Olives, east of Yeravsalem, and the Mount of Olives will be split in two from east to west, forming a great valley, with half of the mountain moving north and half moving south.

*“‘You will flee by my mountain valley, for it will extend to Azel. You will flee as you fled from the earthquake in the days of AziYah [“Uzziah”] king of Yavdah.’ **Then Yahveh my Almighty One will come, and all the sacred ones with him.***

“On that day there will be no light, no cold or frost. It will be a unique day, without daytime or nighttime – a day known to Yahveh. When evening comes there will be light.

“On that day living water will flow out from Yeravsalem, half to the eastern sea and half to the western sea, in summer and in winter.

“Yahveh will be King over the entire earth. On that day there will be one Yahveh, and His name the only name [to be worshiped].

AMERICA IN PROPHECY!

“The entire land, from Geba [north of Yeravsalem] to Rimmon, south of Yeravsalem, will become like the Arabah.

“But Yeravsalem will be raised up and remain in its place, from the Benjamin Gate to the site of the First Gate, to the Corner Gate, and from the Tower of Hananel to the royal winepresses. It will be inhabited; never again will it be destroyed. Yeravsalem will be secure.

“This is the plague with which Yahveh will strike all the nations that fight against Yeravsalem: Their flesh will consume while they are still standing on their feet, their eyes will be consumed in their sockets, and their tongues will be consumed in their mouths.

“On that day men will be stricken by Yahveh with great panic. Each man will seize the hand of another, and they will attack each other.

“Yavdah also will fight at Yeravsalem. The wealth of all the surrounding nations will be collected – great quantities of gold and silver and clothing.

“A similar plague will strike the horses and mules, the camels and donkeys, and all the animals in those camps.

*“Then the survivors from all the nations that will have attacked Yeravsalem will go up year after year to worship the King, Yahveh of hosts, and **to celebrate the Feast of Tabernacles.***

*“If any of the peoples of the earth do not go up to Yeravsalem to worship the King, Yahveh of hosts, they will have no rain. Yahveh will bring on them the plague he inflicts on the nations that do not go up **to celebrate the Feast of Tabernacles.***

*“This will be the punishment of Egypt and the punishment of all the nations that do not go up **to celebrate the Feast of Tabernacles.***

*“On that day ‘Sacred to Yahveh’ will be inscribed on the bells of the horses, and the cooking pots in Yahveh’s house will be like the sacred bowls in front of the altar. Every pot in Yeravsalem and Yavdah will be sacred to Yahveh of hosts, and all who come to **sacrifice** will take some of the pots and cook in them.*

“And on that day there will no longer be any Canaanite in the house of Yahveh of hosts” (Zechariah 13:7-9, 14:1-21).

More Drought And Wild-Fires Ahead?

From the court brief dated and filed September 12, 2000, nearly ten years to the day before this is being written, the prophet said:

“As an inspired minister, the defendant also notices this court of the reason for the current drought in this state and in this county in particular, pursuant to Ezekiel 22:23-29, and prays this court

AMERICA IN PROPHECY!

has the foresight and wisdom to help this county and this state avoid more like or worse judgments for its continued corrupt attempts to create yet another unjust prisoner's widow and orphans of the defendant's family..." (Additional Information To The Court Re: Motion To Recuse, And Motion To Suppress Evidence, State v. Scott, Cause No. 00-06-07085, p. 2 of 3).

This unheeded warning resulted in a decade-long devastating drought, particularly in the guilty county of Hamilton and the state of Texas as a whole, in stark current fulfillment of that ancient scriptural prophecy:

"Again the word of Yahveh came to me: 'Son of man, say to the land, "You are a land that has had no rain or showers in the day of wrath."

*"There is a conspiracy of her princes within her like a roaring lion tearing its prey; **they devour people, take treasures and precious things and make many widows within her.***

"Her priests do violence to my Law, and profane my sacred things; they do not distinguish between the sacred and the common; they teach that there is no difference between the unclean and the clean; and they shut their eyes to the keeping of my sabbaths, so that I am profaned among them.

"Her officials within her are like wolves tearing their prey; they shed blood and kill people to make unjust gain. Her prophets [these include the "news" media and reporters of all stripes] whitewash these deeds for them by false visions and lying divinations [typical "rosy" future style predictions for all but the things and people the public needs to hear, to avoid troubles and very real curses in future]. They say, "This is what Sovereign Yahveh says" – when Yahveh has not spoken.

"The people of the land practice extortion and commit robbery; they oppress the poor and needy and mistreat the stranger, denying them justice" ("Ezekiel" 22:23-29).

All these things, and more, are happening right here in modern day America, the once fabled "land of the free," where liberty and true freedom can no longer be taken for granted (not that they ever should)!

The prophet put his life, property and family on the line to stand for the right principles, seeking to secure these lost rights and freedoms for the next generation.

Sad to say, far too few today are willing to make such a sacrifice, without which they cannot expect to long maintain the liberty they falsely believe to be their birthright.

Unless you are willing to defend your neighbor's property, for instance, what right do you truly have to expect your own property to remain inviolate?

Doing to others as you expect them to do to you is just a footnote, albeit an extremely important one, to following every word and Commandment of your Creator!

AMERICA IN PROPHECY!

Without an understanding of what is clean or unclean (such as unclean meat that is tainted with blood, because the animal has been strangled, or certain unclean animals that are routinely sold and consumed to an unheeding public, ignorant of how these compromise health and separate us from our caring Creator's blessings and protection), is just one of many ways modern America has taken the wrong paths at every turn.

Not keeping a tight rein upon public officials, particularly government agents up to and including all law enforcement officers, to ensure they never violate the law themselves, especially Creator Yahveh's Laws and Commandments, is essential to the public peace and security.

If allowed to run rampant, there is no limit to how wrong your world can go, as it descends a little more each and every day, down into the pit of good intentions gone awry!

As an example, at the hearing of September 12, 2000, the prophet pointed out such lawless acts as "sheriffs" and court "bailiffs" who had no current oath of office, as required under the laws of the state they were supposed to be serving.

These selfsame "officers" had perjured themselves (lied) on official court documents (such as an arrest warrant, by claiming an arrest took place more than a week before they attempted to serve the then null and void warrant), and also gave perjured testimony in open court, where the judge aided and abetted their felonies by denying the defendant, in a felony trial, the right to assistance of counsel or to call witnesses in his own defense, on the unlawful basis that he nor they could swear or affirm oaths, due to their religious beliefs against this unscriptural practice (see: James 5:12 and "Matthew" 5:33-37; cf. "Matthew" 5:18-19).

Eleven years later judges in the same local courts are continuing to deny this same prophet fair hearings and witnesses, even after he successfully appealed (without any prior legal experience or help), and briefed his own appeal on this very issue, and won a favorable opinion on appeal, which the local courts and judges continue to violate (**Scott v. State**, 80 S.W.3d 184).

Because this particular issue also took place during a post trial appellate attempt to secure the assistance of counsel on appeal, the court refused to obey the appellate court's ruling by applying it to the very same abuse of injustice perpetrated at the trial, upon which the appeal was based.

To date no appellate court in the state of Texas has ventured to rule the trial unconstitutional (or unlawful, which according to every legal precedent it was and is), even five years after forcing this prophet to suffer extreme privation, attacks against his person and property, denial of needed medical attention, and even torture while imprisoned unlawfully for a year, serving an unjust and unlawful sentence for a "crime" manufactured to order by a county judge and the county clerk!

Based on these continued abuses, which deny this prophet equal protection of the laws and equal access to the courts, including refusal to hear his unsworn habeas petitions – which by law ought not have any such restrictions applied, in denying this basic right to end abusive and unlawful arrest, imprisonment, or detainment – he sees nought but worse drought and wild-fire conditions in the state of Texas, and the central Texas county of Hamilton in particular.

How could it be otherwise?

AMERICA IN PROPHECY!

There is a caring Creator, on His throne in heaven, who knows and takes umbrage at such vile offenses, especially against one of His servants.

Unless the guilty parties repent of their crimes (and to date there is no indication they are willing to do so), worse plagues than drought and wild-fires, in fact, are in the offing for the near future!

The End?

The final prophecy found in the Old Testament also reveals what will soon take place, and is even now in the process of being fulfilled (by this very report, for instance)!

This ministry has long worked to restore the Law and Commandments of Creator Yahveh to their rightful place of respect, honor and obedience. Many hitherto lost things – such as Yahveh’s (and particularly Yahvsave’s) sacred name, the true sacred calendar, sabbaths and Feasts – have been restored only through this ministry, which has taught in the same spirit as the ancient prophet EliYahv, through prophecies and visions.

Do yourself a favor, and please heed these words, if you wish to find the promised blessings of Creator Yahveh’s coming Kingdom on earth:

“‘Certainly the day is coming; it will burn like a furnace. All the arrogant and every evil-doer will be stubble, and the day that is coming will set them on fire,’ says Yahveh of hosts. ‘Not a root or a branch will be left to them. But for you who revere my name, the sun of righteousness will rise with healing in its wings.

“‘And you will go out and leap like calves released from the stall. Then you will trample down the wicked; they will be ashes under the soles of your feet on the day when I do these things,’ says Yahveh of hosts.

“‘Remember the Law of my servant Moses, the decrees and laws I gave him at Horeb for all Yasrael.

“‘Look, I will send you the prophet EliYahv before that great and dreadful day of Yahveh comes. He will turn the hearts of the fathers to their children, and the wicked to the righteousness of the elect [correct rendition, according to the Septuagint translation, and as told to the Baptist’s father ZecharYahv – “Zechariah” – by an angel; recorded in Luke 1:17]; or else I will come and strike the earth with total destruction’” (Malachi 4:1-6).

Two of America’s founders, John Adams (second president of the United States) and Thomas Jefferson (third president of the United States), both lifelong close friends, died on the very same day – July 4th, 1826 – the 50th anniversary of the Declaration of Independence, written largely by Jefferson, with significant help and advice from Adams.

Their legacy, now largely forgotten by a new generation of Americans, raised and schooled to be mostly ignorant of their own heritage, marks this as a prophetic sign – a warning – of America’s just end, as humanity’s final fading hope for freedom on its own terms swiftly fades away!

AMERICA IN PROPHECY!

Thus, the end of the United States of America, although it begins a very tumultuous and terrible time on earth for all the descendants of Ya'acob, or Yasrael, will finally conclude with a just and swift judgment against the wicked rulers of earth, and their armed forces.

Then, once the smoke clears and the worldwide devastation has finally ended, the prophesied new millennial age of peace, prosperity, spiritual and physical abundance, and the actual pure truth will at long last prevail over all the nations on earth.

Then, and only then, will humanity finally qualify to take their place amongst the other races of heavenly realms (“aliens,” or “angels” – meaning: “messengers”), from other planets and solar systems throughout the vast reaches of space, known as Creator Yahveh’s creation!

Conclusion

Care to learn more about this unique prophet, whose vow as a nazirite since October 16, 1985 has resulted in more persecutions, threats, physical attacks, and similar abuses, simply because this vow forbids the cutting of the adherent’s hair during the period of the vow?

How You Can Help This Work Of Restoration Now...

Your contributions, offerings and tithes are sorely needed right away!

The prophet who has suffered so much abuse in the carnal courts of Texas for more than a decade has often stepped out in faith to put the needs of himself, and of his family, behind the needs of doing Creator Yahveh's work of restoration to this age, such as this report you have just read....

Rather than work that could have produced a profitable income (however, this would sacrifice the time needed to do this important work) – and by paying all the needful bills required to keep such online resources freely available for your use – this has often left the prophet and teacher, and his family, without the basic means of subsistence!

Tithing is the commanded way to help provide the needs of this ministry (10% of your increase belongs, by right, to your Creator; payment of which leads to His blessings – not the least of which are spiritual understanding and inspiration; see: Malachi 3:6-12).

You can send your tithes and offerings regularly in support of this ministry via the following on-line PayPal web site address (click this link to open it immediately in your browser):
